I'll make sure…

- to always demonstrate my care for you.
- to be in your corner.
- to be the stable adult you need me to be.
- to challenge others when you need me to.

I'll make sure…

- to make your day predictable.
- to be calm and clear in my responses.
- to create an environment you can cope within.
- to advocate for you beyond the classroom.

I'll make sure…

- to enable you to experience success every day.
- to play to your strengths.
- to not judge you when you make mistakes.
- to recognise the extra effort you have to make.
