

# Passport Activity Newsletter

**Easter 2022**

Welcome to the **Easter edition** of our Rotherham CU Passport Activity Newsletter. We'll be publishing a CU Passport Activity Newsletter just before each school holiday, packed full of fun activities and ideas to keep you busy – in this version, you can find craft sessions, storytelling, writing workshops for stage and screen, dancing, singing, drama, trails and more!

In our newsletters, you'll find activities taking place across the town in the school holidays – and if your child has a Passport to Learning, they'll be able to earn CU credits for taking part in all of them! Some of the activities are FREE while some will need to be paid for, and some require booking in advance. We would always recommend contacting the Learning Destination (approved activity provider) before making a special journey to join them, and you can find contact details of ALL of our Learning Destinations here:

[www.childrensuniversity.co.uk](http://www.childrensuniversity.co.uk)

During 2020 and 2021, our friends at Sheffield CU published daily CU Home Learning Challenges and reached **98** of them by the end of the school year! We'll be sharing a selection of them in these newsletters, so why not have a go at completing them at home? You'll need to take your work into your school to show the staff, and why not tell them about all the things you learned, and how you developed a range of skills by completing the challenges? They'll give you an activity stamp code so you can enter it onto CU Online and claim your CU credits towards your next award.

If you see challenges published by other CUs, then do feel free to complete them. To claim your CU credits for these, you'll need to show your work to your teacher in school, then they'll be able to give you your CU activity stamp code to add to CU Online.

You can find Learning Destinations in Rotherham and beyond at [www.childrensuniversity.co.uk](http://www.childrensuniversity.co.uk) or see our latest list at the end of the newsletter. We've included lists of Learning Destinations in Sheffield and Doncaster too, so why not visit some of them and collect EVEN MORE CU credits in your Passport to Learning? We're welcoming new Learning Destinations to Rotherham all the time – see details later in the newsletter, on how you can nominate an activity provider to join us!

Make sure you're following us on Twitter for our Rotherham CU news!

# Did you know?

## The Passport to Learning is your key to exciting learning activities in and beyond Rotherham!

Looking for a new activity to try? Want some ideas for things to do nearby? Are you having a trip out somewhere? Going on holiday? Visiting friends and family? You can collect CU credits at museums, castles, forests, coastlines, mountains, cathedrals, zoos and lots of other famous landmarks in Rotherham and right across the UK.

### 1. Get ready!

- **Get a Passport to Learning.** Ask in school how you can do this.
- **Visit the website:** [www.childrensuniversity.co.uk/activity-search](http://www.childrensuniversity.co.uk/activity-search)

### 2. Get in on the action!

- **Use the website to find details of Learning Destinations** before you go. Why not refresh your search whilst you're out and about?
- **Visit them and learn lots!** Look out for structured learning activities such as trails, talks by experts, quizzes and workshops (remember: **only** these structured activities count towards CU credits).

### 3. Get your CU credits!

- **Collect your CU Activity Stamp.** Ask a member of staff at the Learning Destination for the code. Record it in your CU Passport to Learning.
- **Claim your CU credits.** Log into CU Online, enter your Activity Stamp Code and see your credits increase. Why not review the activity (tell us what you learned and what you thought about it), and we'll award some extra credits! Ask in school if you need any help.

## The Smeds and The Smoos

Tuesday 19<sup>th</sup> April  
2pm – 3pm

Come and join in the fun at  
Rawmarsh Library this Easter!

Throughout the holidays daily, there's books, books and more books to read, pictures to colour, games to play, trails to follow, lego to build and prizes to be won in our competition.

Plenty to keep you entertained. Plus -

Free crafts sessions:

Thursday 14<sup>th</sup> April - 10.30am - 11.30am

- Hoppy Easter

Thursday 21<sup>st</sup> April - 10.30am - 11.30am

- Hello Spring!

To book a place contact the library on 01709 255682

Come along to our Storytime listening to a lovely story about an out-of-this-world friendship. Followed by a Smed and Smoo craft.

Free session, no need to book.

Hi, I'm Brearley Bear and I need your help this Easter in Sheffield!

The Easter Bunny has hidden **seven** Easter eggs in the city centre and I need the help of some Little Eggsplorers to help me find them.

Pick up a trail map from my friends Sheffield BID at Unit 1, Surrey Street (next to the Winter Garden). Maps will be available from 9th April.

Find all the eggs to receive a choctastic prize for all children that complete the trail. Take your completed trail back to Sheffield BID and show them your CU Passport to Learning. Collect the CU Activity Stamp Code to claim your 2 CU credits on CU Online.

#### **ABOUT THE EASTER HUNT FOR LITTLE EGGSPLORERS**

##### **What are your opening times?**

Brearley Bear's Easter Egg Hunt for Little Eggsplorers takes place from Monday, 11th – Saturday, 16th April. You can collect your trail map from Unit 1, Surrey Street between 9.30am – 5pm Monday to Saturday. All the 'Easter eggs' on this trail are in city centre venues, accessible between at least 10am and 4pm Monday to Saturday.

##### **Does it cost money to complete Brearley Bear's Easter Egg hunt?**

No, it's free! You can download the trail map online and print at home or pick up a trail map from Sheffield BID's Unit 1, Surrey Street (next to the Winter Garden).

##### **How do we complete the Easter Egg Hunt?**

You can hunt for the eggs in any order - there is no Start or Finish. Just remember to jot down the colour of each egg as you find it on your trail map. Once you've found all of Brearley's eggs, return the completed trail map to Sheffield BID's Unit 1 on Surrey Street (next to the Winter Garden), where children can claim a chocolate treat.

##### **My child has food allergens / intolerances**

Don't worry, there will be a choice of a dairy, gluten and soya free "treat" option available.

##### **My child has special educational needs, will they be able to enjoy the activity?**

If your visit can be made easier by seeing pictures of the trail venues ahead of completing the Brearley Bear Easter Egg Hunt, or if you have any other queries, please get in touch at [enquiries@sheffieldbid.com](mailto:enquiries@sheffieldbid.com).

ALL ACTIVITIES WILL START/END HERE -

Grimm & Co Writers Pad  
Old Town Hall  
Rotherham

GRIMM & CO

• APOTHECARY TO THE MAGICAL •

We are launching our **Young Creatives Network** to encourage and mentor young people from Rotherham who want to develop their skills in the creative arts. More info about that here - <https://grimmandco.co.uk/introducing-the-young-creatives-network/>

As part of that, we are encouraging young people aged 11-25 to get in touch with questions that they have for the artists coming on 9<sup>th</sup> April (Jeremy Dyson, Paul Clayton and Brian Jordan) - details in the above link.

A workshop with celebrated artists of the screen and stage for 9-12 year olds - <https://www.eventbrite.com/e/a-grimm-co-workshop-with-celebrated-writers-of-stage-screen-and-books-tickets-304796744267>

Sat, 9 April 2022  
10:30am – 12:30pm

Come and join us for this exciting workshop with celebrated writers of stage, screen and books. You have the chance to meet Jeremy Dyson (writer and director of League of Gentlemen, Ghost Stories and more), Paul Clayton (actor in Coronation Street, The Peep Show, Ali G in Da House and author) and Brian Jordan (script writer - including CBBC's Rastamouse, Disney's Lifebites). If you are aged between 9 and 12 and would like to join us for a morning workshop with three amazing writers of stage, screen and books please sign up for this event.

If you would like to attend the Writing a Soap Opera sessions on 12-14th April (see below), you will also need to attend this session for a grounding in writing for the screen!

Writing a soap opera for 9-11 year olds - <https://www.eventbrite.com/e/write-a-soap-opera-with-grimm-co-linger-longer-lane-tickets-304627076787>

Tue, 12 Apr to Thu, 14 Apr 2022 (all dates must be attended)  
13:30pm – 16:30pm

Are you aged 9-11 years? Would you like to write Grimm & Co's next drama? Work with Grimm & Co's artists to create the greatest soap opera on earth, Linger Longer Lane?

You'll be introduced to celebrated writers, actors and directors to give you some top tips for creating your very own characters, plot and script.

Once the scripts have gone through the editing machine, a host of actors and film makers will descend upon Rotherham to create this drama.

Your soap opera will be screened on Grimm & Co's Linger Longer Lane throughout the summer holidays, 2022, then it will appear on our YouTube channel for all to see.

If you are aged between 9 and 11 years old, and would be interested in doing this FREE creative activity with Grimm & Co, please sign up!

In order to attend, you need to be available on the 9th, 12th, 13th AND 14th April.

Sessions will take place on 12th April, 13th April, AND 14th April, 1.30-4.30pm.

You will also need to have attended our introduction event on 9th April, 10.30-12.30pm (see above). Please book your ticket for this event separately.

Please arrive ten minutes before the start of the workshop at the Grimm & Co shop. Young people will be brought back to the shop at the end of the session and should be collected from here. Juice, fruit and biscuits will be provided during the workshop. Please let us know in advance about any allergies. These workshops are being supported by Arts Council England and UKCRF funding.

## Earn Children's University Credits with Sheffield Adventures!

Sheffield Adventures are FREE creative activities that take you all around our wonderful city! Each Adventure is worth 1 CU credit and over 50 can be found on our website [createsheffield.co.uk/adventures](http://createsheffield.co.uk/adventures).

We are excited to launch 3 brand-new Adventures this Easter, written by fantastic local creative organisations.

- Discover the curious lives of some of the performers buried at Sheffield General Cemetery with Growtheatre's [The Show Must Go On!](#)
- Get your nature fix with In-between the Trees' [Sensory Circuits](#), in one of Sheffield's many green spaces.
- Whether you were born in Sheffield, or are new to Sheffield, will have your favourite memories. Care for Young People's Future wants you to share what YOU think makes Sheffield so fun and adventurous in a [Suitcase Adventure](#).

Suitable for children, young people and families of all ages

### What to do

- Take part in a Sheffield Adventure which can be found on [our website](#). Each Adventure will guide you on what to do to complete the creative activity and how you might share with others.
- Email [adventures@createsheffield.co.uk](mailto:adventures@createsheffield.co.uk) to share your learning, please include any pictures/videos as evidence.
- For Sheffield CU members, please include the name of the Adventure you completed, your full name, DOB, school name and CU Passport to Learning number (found on the front page of your Passport under the consent sticker). Then we will inform Children's University of your great work!
- For other CU members, please include the name of the Adventure and we will reply with the CU Activity Code so you can claim your credits.

**Aston-cum-Aughton**  
**Rotherham**

**Maltby**

**Wath-upon-Dearne**

All lessons delivered by Places for People centres in Aston-cum-Aughton, Maltby, Rotherham and Wath-upon-Dearne now award CU credits to children with a CU Passport to Learning. Ask at reception for the CU stamp code.

This only applies to **taught lessons** (not leisure activities such as family swims, etc.) delivered by Places for People.

Activities delivered in these centres by other clubs or providers will NOT be eligible for CU credits unless that provider is a validated Learning Destination.

We want to validate more and more activity providers, so if they're not already a Learning Destination (see list in this newsletter), please ask them to join! Share their details with us and we'll get in touch - [h.oades@shu.ac.uk](mailto:h.oades@shu.ac.uk)

## Easter Challenge: Bubble Painting

It's time to get creative and make a painting without a paintbrush! We recommend that this activity is done outdoors as it can become rather messy!

### You will need:

- Paint
- Bubble Solution (or washing up liquid)
- Bubble Wand or Plastic Straw
- Cups or Small Bowls
- Paper
- Tablespoon

**Step 1:** Ask an adult to help you add 3 tablespoons of bubble solution (or a drop of washing up liquid) and two tablespoons of paint into a cup or small bowl.

**Step 2:** Mix the paint and bubble solution together.

**Step 3:** Place your piece of paper on to a flat surface. You might want to cover the surface first in newspaper or plastic?

**Step 4:** Dip the wand or straw into the bubble paint and then blow out bubbles so they land on the paper.

**Step 5:** Another way to create bubble paintings is to use your straw to blow bubbles into the mixture while it's in the bowl. Then take your paper and lay it over the top of the bubbles then turn it back over and reveal your artwork. You could even challenge yourself to see how many colours you can get on one page. And you could even see what happens when you mix the colours.

**Step 6:** Allow to dry before hanging up the colourful bubble painting!

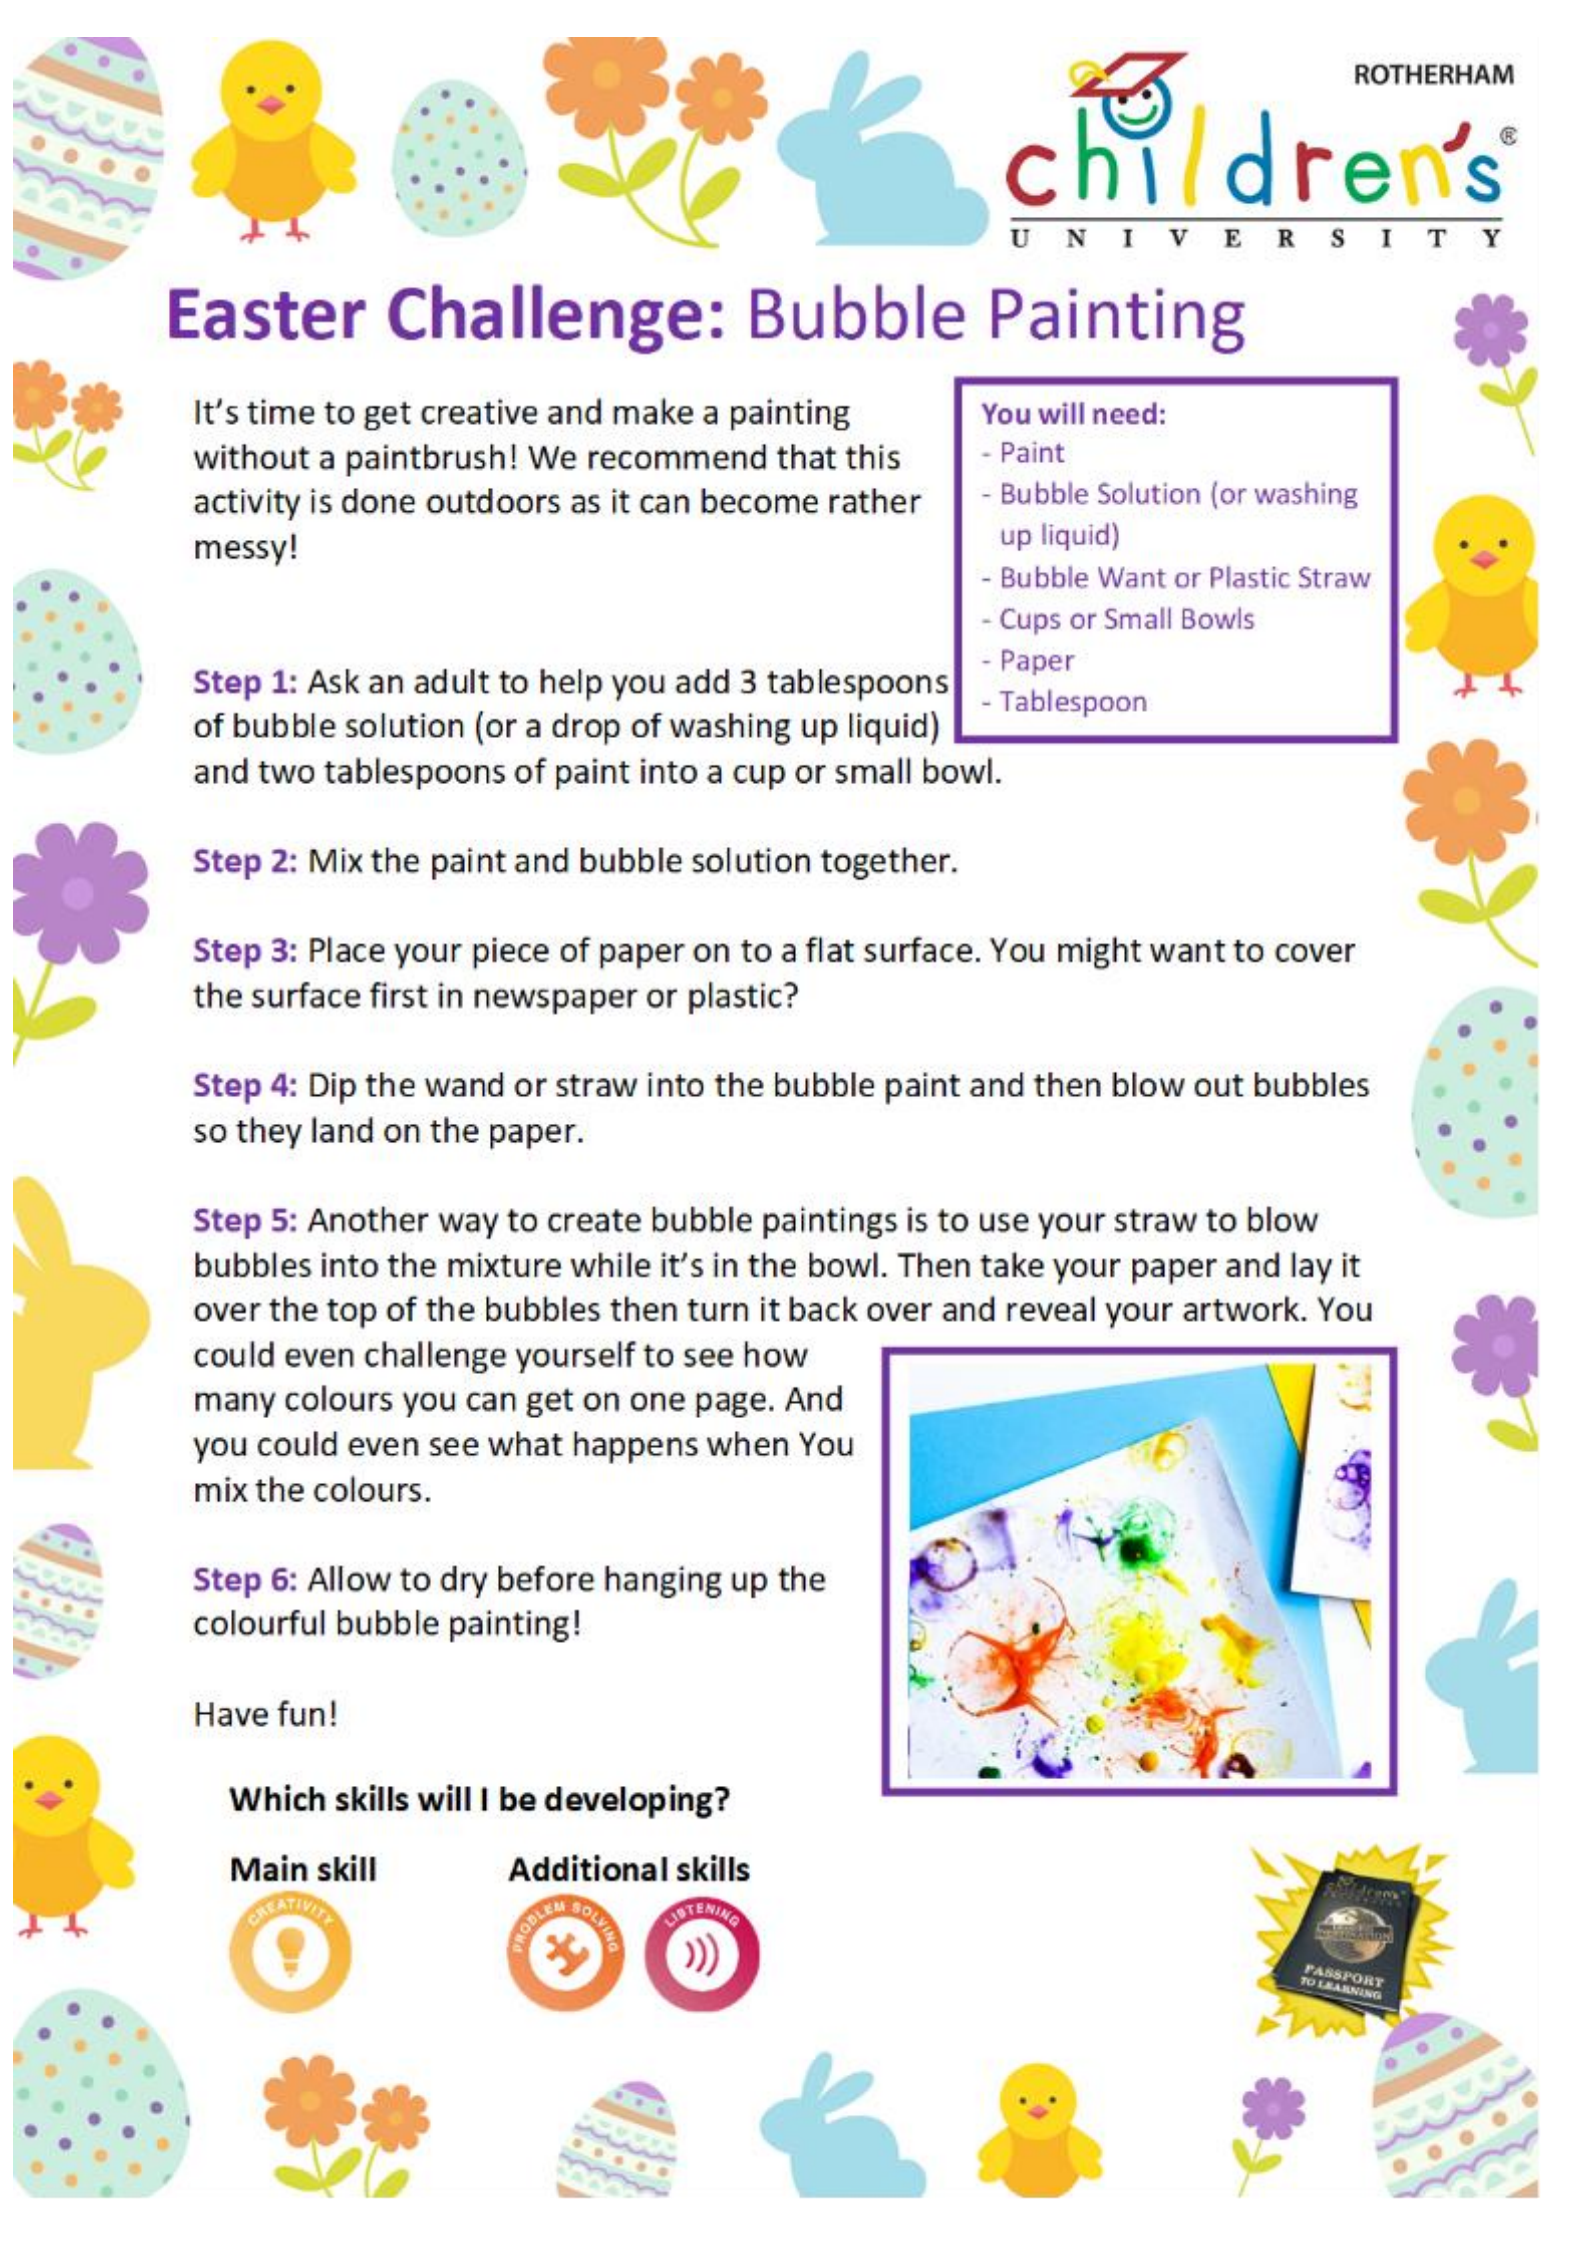

Have fun!

# Easter Challenge: Coping Skills

Coping skills are things we can do or say to help remind us that we are strong, valuable people, even when things get hard. Each one of us have different coping skills that help us feel better during tough times.

**You will need:**

- Paper
- Scissors
- Colouring pencils
- Glue/Sticky tape

What do you do that makes you feel calmer when things feel more difficult? You might count slowly to 10 and take big deep breaths. You may find it helpful to talk to a friend or family member about how you feel. Or it might help you to get creative and draw a picture, read a book or listen to music, or maybe being more active and going for a walk or dancing?

This activity will help you create your very own Easter basket full of coping skills, giving you the tools you need to help you deal with challenging situations.

**Step 1:** Print and carefully cut out the Easter basket and egg templates below. If you don't have a printer, you could always draw your own eggs and Easter basket and use those!

**Step 2:** Think about what coping skills help you feel calmer when things feel more difficult and make a list. Include as many as you can think of!

**Step 3:** Colour in and decorate your Easter basket, then decorate your Easter eggs, writing one of your coping skills on each egg. Stick these onto your basket and voila! You have now created your very own Easter basket full of coping skills as a reminder of how you can help yourself feel better during tough times.

**Top Tip:** Before you stick your eggs to your basket, why not hide them around your house and garden and have a coping skills egg hunt?

**Which skills will I be developing?**

# Easter Challenge: Flower Press Bookmarks

This activity is a really easy way to create your very own personalised bookmark.

**Step 1:** Collect a flower of your choice. This can be as big or small as you like but remember we're going to be making a bookmark with it! (Do be aware of where you're collecting your flower from, and remember not to take flowers from gardens unless you have permission)

**You will need:**

- A piece of card or paper
- A heavy book (or object)
- A strip of card (big enough for your chosen flower to fit)
- Glue

**Step 2:** Now you have your flower, you need to place this in between a few pieces of kitchen roll.

**Step 3:** You'll now need to place this within or under a heavy book (or another heavy object) and leave for 2-3 days until it has been squashed flat and is dry. If it's not quite ready, leave it a little longer.

**Step 4:** Once it's dry and flat, it's time to glue your pressed, dry flower to your strip of card.

**Step 5:** Now you can decide if you'd like to add more detail. Maybe drawing or colouring around your flower, add glitter or other craft items, or even just add your name. Why not make a small hole at one end and tie on threads of wool or coloured thread?

Now you have created your bookmark, think about the other things you could create using this same method!

**Which skills will I be developing?**

# Easter Challenge: Food Friends

Here's a fun challenge to get you being creative with food! The only thing you will need to think about, is the colour of your breakfast, lunch or dinner. You may also need a little help from an adult for some parts of this activity!

**You will need:**

- Your breakfast, lunch, dinner or snack
- A knife
- Cocktail sticks or bamboo skewers (optional)

**Step 1:** Think about the food you're having and think of the animal you could make with your food - what shapes could you make? What colours will you have?

**Step 2:** You'll need to think about the different shapes you will need to make the different elements of your animal and whether this shape can be made by bending or shaping your food or whether it will need to be cut.

**Step 3:** Now you have your shapes assemble your animal by using your cocktail sticks, bamboo skewers or even just putting it together on your plate.

**Step 4:** Now you can enjoy your delicious lunch!

**Step 5:** Can you set yourself a challenge and try at least one new food each time?

**Which skills will I be developing?**

**Main skill**

**Additional skills**

# Easter Challenge: Grow your own Sunflower

Did you know, each sunflower is made up of thousands of teeny flowers. The iconic yellow petals and fuzzy brown centres are actually individual flowers themselves. As many as 2,000 can make up the classic sunflower bloom. You should harvest sunflowers in the morning, not the afternoon, if you're planning to clip a few to display in a vase.

**You will need:**

- Sunflower seeds
- Soil or compost
- A pot or patch of garden to plant your sunflower in
- A pen and paper to keep your sunflower growth diary

Each sunflower can contain as many as 1,000 to 2,000 seeds. So there are tons for birds to eat! But you can harvest and roast them for yourself, too. There are about 70 species of sunflowers. The tallest sunflower on record was over 9m tall, grown in Germany by Hans-Peter Schiffer. So here's a challenge to see how tall you can grow a sunflower!

**Step 1:** Plant your sunflower seed in approximately 3-5cms of soil (if you're planting more than one seed you'll need to plant them around 15cms apart).

**Step 2:** Water your seed/s once a week with plenty of water.

**Step 3:** Once your seed has started to spout, keep a diary of its growth and describe the changes you see.

# Nominate a Learning Destination!

Do you know an activity provider who'd make a **GREAT Learning Destination?**

Nominate them today:

<https://bit.ly/NominateaLearningDestination>

it's **FREE** for them to join!

there's loads of benefits on offer!

We'll contact them with more info, and invite them to join Rotherham Children's University. Once they're validated, you and your friends will be able to earn CU credits at their activities, if you have a CU Passport to Learning

for more info, contact [h.oades@shu.ac.uk](mailto:h.oades@shu.ac.uk)

**WHY NOT PRINT THIS PAGE, CUT OUT THE SLIPS AND TAKE THEM ALONG TO ACTIVITY PROVIDERS TO INVITE THEM TO JOIN ROTHERHAM CU?**

# You're invited!

**I am a member of Rotherham Children's University (CU) and I'd LOVE it if this club/group joined in too!**

I earn CU credits for choosing to take part in high quality, learning activities in my own time. These credits lead to 30 different awards, as well as them helping to build my confidence, motivation, and self-esteem, develop skills, make new friends and have fun. Ask me to tell you about it!

It would be AMAZING if children were able to collect CU credits for taking part in activities here too, but we can't until this organisation is registered. It's FREE for you to join, and a really quick and easy process. Just add a few details on the link below and the CU Team will be in touch: [www.childrensuniversity.co.uk/get-involved/learning-providers/](http://www.childrensuniversity.co.uk/get-involved/learning-providers/) Once registered, you don't have loads of paperwork to fill in plus it might even bring in more members to our group. There's lots of benefits for you as well - free publicity is just one of them!

Contact Helen Oades ([h.oades@shu.ac.uk](mailto:h.oades@shu.ac.uk) or 07760 116874) for more info. I hope you'll be able to join soon so I can earn more CU awards!
