

# Passport Activity Newsletter

## Easter 2022

Welcome to the **Easter edition** of our Sheffield CU Passport Activity Newsletter.

It's packed with fun activities happening during the half term school holidays – from some BRAND new arts-themed activities from Sheffield Adventures, to science, martial arts, music, multi-sports, outdoor adventures, arts and crafts and fun in the libraries with authors and illustrators!

In here you'll find activities taking place across the city in the school holidays – and if your child has a Passport to Learning, they'll be able to earn CU credits for taking part in all of them! Some of the activities are FREE while some will need to be paid for, and some require booking in advance. We would always recommend contacting the Learning Destination before making a special journey to join them, and you can find contact details of ALL of our Learning Destinations here: [www.childrensuniversity.co.uk](http://www.childrensuniversity.co.uk)

During 2020 and 2021, we published daily CU Home Learning Challenges and we reached **98** of them by the end of the school year! As they were so successful, we continued publishing challenges during the school holidays and the great news is that they're all still available for you to download and complete, so have a look for the links to access them on the next page. There is information on how you can claim CU credits for completing these challenges if you normally attend a Sheffield school and have a Passport to Learning.

If you see challenges published by other CUs, then do feel free to complete them. To claim your CU credits for these, you'll need to fill in our online form: <https://bit.ly/claimSCUcreditsbeyondSheffield> We LOVE to see photos of your learning, so do email them to us at [CU@sheffield.gov.uk](mailto:CU@sheffield.gov.uk)

You can find Learning Destinations in Sheffield and beyond at [www.childrensuniversity.co.uk](http://www.childrensuniversity.co.uk) or see our latest list at the end of the newsletter. We've also included Rotherham and Doncaster CU Learning Destination lists too!

If you would like to join our Parent/Carer Mailing list to receive updates, activity information and news, please email [CU@sheffield.gov.uk](mailto:CU@sheffield.gov.uk). Otherwise, make sure you're following us on social media for our activity news and other regular updates! In the meantime, stay safe, stay happy, have fun and keep learning!

## A message from our friends at FACES (Family, Adult and Community Education Services)

Did you know there's a BRILLIANT  
and FREE app, called '50 things to  
do before you're five'?

It's FULL of ideas of great activities  
you can do with young children,  
from birth to age 5. Why not try  
blowing bubbles, enjoying a  
rhyming book together, or even  
getting creative with some junk  
modelling? Perhaps you enjoy trips  
out locally, so why not go exploring  
on foot or a new mode of public  
transport?

There are 50 different things to try,  
giving you a whole load of ideas for something to do.

Just download the app from your preferred App Store, or  
scan the QR code on the left, choose 'Sheffield' and  
you're ready to go. You can tick them off as you go! For  
more information, contact the FACES team using the  
details on the left. Enjoy!

**\*\*PLEASE NOTE\*\*** As this is for children under school age, the  
activities on the 50 Things app ARE NOT currently eligible for  
Children's University credits. However, we wanted to share this  
information as we know that many of our CU members have younger  
brothers and sisters, and we wanted to give families ideas of fun  
things to do. We are working with the 50 Things and FACES Team to  
develop even more links, so watch this space!
